Dear Sir:

I was reading a
adventure magazine and
I ran across your article
and though I would write
to you. I think I got a
civil war medal. The date
1861-1866 and when you
answer I will send it
on return mail. please
state price for medals.
and I thank you for
everything.

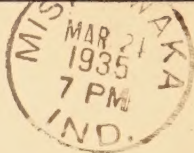

Yours till we meet.

Orville Olinger.

Mishawaka, Indiana.

Dear Sir:

We can tell you nothing about your Civil War medal without a better description of it. There is no need of sending the medal on as we do not buy such things. If you care for information about it you could send us a nice pencil rubbing. If you do, please send, as stated in the Adventure magazine, return postage. Also in your letter mention the name of the magazine.

Very truly yours,
